

There is a better way to stop the noise!

Find out how our practitioners can help you, or your partner, to stop snoring. You will both get a better night's sleep!

Snoring and Sleep Apnea FREE SEMINAR

- **LEARN** how mechanical imbalances can cause snoring and sleep apnea.
- **EXPLORE** how Matrix Repatterning can gently correct the problem without the need for sleep aids or breathing devices.
- **DISCOVER** a highly-successful treatment system, clinically-proven to help alleviate this and many other conditions.
- **RECEIVE** personal assessment advice from our practitioners at no charge.

Wednesday, July 15, 2009 7:00 pm — 8:30 pm

Please call to reserve your seat for this **FREE** seminar.
